SINGING POLICE

Working together to make parties more fun

Disguised as Policemen and women our crack squad will arrive at the scene of your incident at the designated time. They will cause quite a disturbance as your guests will believe them to be the real thing. They will call for calm in the room and ask your guests to remain seated. They will then notify the guests that an official complaint has been made by a neighbour (or pre-select a guest) concerning the noise level: 'It has NOT reached the required level!' The guests will then be asked to raise the atmosphere in the room by joining in with the Singing Police.

Your guests will then be serenaded (with operatic voices set to stun) by the officers in attendance, much to the surprise and delight of all witnesses present. The music performed is a mixture of operatic favourites and popular show songs. The duration of the arresting performance will be approximately twenty five minutes.
