Stringmania

Stringmania is one of the UK's most successful and sought after string quartets, regularly performing at corporate events, weddings and other special occasions. The group's critically acclaimed show is a dynamic, energetic, high-impact event guaranteed to get audiences talking and inject a huge dose of glamour into any occasion!

The show itself is a dazzling feast for the eyes and ears: a unique blend of specially commissioned crossover favourites from the pop and classical world, performed to the highest standards by acclaimed musicians. Fully choreographed, it can either be performed on electric or acoustic instruments, to audiences large or small. Stringmania has different packages available which can be tailored to suit your event. Whether it's a demure acoustic quartet, their sassy electrifying alter egos or a combination of the two, the girls can add a touch of class to a drinks reception or a show-stopping finish to a major event.

The members of Stringmania are some of the UK's most successful musicians. They have all graduated with honours from London's leading conservatoires, including the Royal Academy of Music and the Royal College of Music. When not performing together as a string quartet, they are often with London's finest orchestras, including the London Symphony Orchestra, BBC Symphony Orchestra, Royal Philharmonic Orchestra and the Academy of Saint Martin in the Fields. They perform at venues around the world including the Royal Albert Hall, the Carnegie Hall in New York, and the Musikverein in Vienna. They also regularly broadcast on TV, and record and appear live with artists such as Sir Paul McCartney, Robbie Williams, Oasis, Shirley Bassey, The Pet Shop Boys and Kanye West.
