# Collective SOLUTIONS

In this fun and furious collaborative team building activity, teams need to work together to get the job done!

Each team must complete part of an activity in a given time, and then 'hand over' to the next team, and be 'briefed' by the team ahead of them. Only when all the teams have visited a task, can the activity be completed.

It's amazing what can be achieved with collaboration, team work and group effort.

## The Activities (choose 4 - 5 activities plus a finalé!)

**The BIG Picture** - Teams paint part of a picture. When all teams have completed their artwork, the picture will later fit together to make one group masterpiece.

**Paper Projects** - Teams work towards creating a dinosaur skeleton (anatomically correct of course) out of paper rods!

**Loony Balloons** - Teams get creative in making a scene entirely out of balloons!

**Piece of Cake** - Teams must decorate an elaborate cake. The first team will set the scene, with subsequent teams adding their contributions. Cakes will then be stacked into an impressive show-stopper of a cake.

**Comic Strip Capers** - One team begins a comic strip. As the rest of the teams follow, who knows which direction the story will take?!

**Collective Conundrums** - Teams attempt some mental conundrums.

**Over To You** - Teams film part of a movie, advert, news report or music video using iPads and iPad filming equipment - using props and costumes. Other teams must continue the story. The finished movie can be shown at the end of the event.

**One Track Challenge (optional finale)** - Teams build a section of a Hot Wheels track that will later fit together to make a fun, fast obstacle course!

**Rollercoaster (optional finale)** - Teams build sections of a rollercoaster that will fit together to make a fun fast finale!
