QUIZ MANIA

A professionally produced quiz is a great way to break the ice at any event. Quiz evenings work particularly well for after dinner or conference entertainment. Our quiz evenings have entertained across the UK and Europe and include audio-visual production, lighting effects, impressive visual quiz rounds and a professional compere.

Our quizzes are generally designed to work around your dinner. With a welcome introduction during your starter, and rounds between each course our professional quizzes provide a full evening's entertainment. The quiz will usually incorporate 6 ten minute rounds. Rounds include; general knowledge, sports, spot the difference, movie world, true or false, name that tune, what happen next and fun conundrum rounds. If appropriate, we can incorporate a "Corporate" round into the quiz (£150.00 per round) – all we would need from you is a list of 10 questions and answers relating to your Company. Assuming your guests are seated at tables of ten, we divide each table into two teams of five. This way all guests are very much involved in their team. Under the standard format, teams are asked to simply 'exchange' papers to mark other team's answers, however we also offer a fabulous optional upgrade – teams use voting keypads to create a truly interactive and instant feedback quiz...
