

Wacky Kart Races

WACKY KART RACES

Whether you're fans of the cartoon or not, this activity is a frenzy of fun – where team work is key.

Straight off the starting grid you'll be put in teams, completing challenges and earning wads of fun money. With your winnings you'll be paying for supplies. Then comes the really fun bit – it's time to get creative and build your own kart! Then it's to the tracks to see which team has what it takes to win! Just don't be Dastardly or you'll be black flagged. The ultimate goal – for your team to make poll position, stand at the top of the podium and become 'Wacky Racers World Champions!'

Example Itinerary (times and event duration can be flexible to suit your requirements)

09.00am	Firebird Race Manager's welcome and safety briefing, teams are created.
09.15am	Kart familiarization and construction of team tent.
09.30am	The Hot Relay - Each team member races around the track for the chance to win fun money.
10.00am	The Hunt for The Sponsor, 'Mr Big' ... Each clue in this treasure hunt brings you closer to finding the illusive sponsor. You'll also find out how you need to decorate your kart – as a house, rocket, boat, racing car or helicopter etc.
11.00am	Budget and Design - Teams must visit the race shop and buy materials for the build with their winnings – negotiating skills may be required! Your kart will be judged on its originality, aerodynamics, practicality, durability and attractiveness - it's time to design your kart.
11.30am	The Build – It's time to put your design to the test and construct your kart.
12.00pm	The Parade - Karts will be taken out of the pits and onto the race track for a gentle procession around the circuit for the judge's parade.
12.30pm	The Wacky Race - With all karts finished, teams go head-to-head - let the Wacky Races begin! Too slow and you won't win anything... too reckless and you're likely to be black flagged!
12.50pm	'We are the champions' award ceremony and debrief for 10 minutes
