

# Easter Egg Making (Virtual)

# Easter

## Egg Making

**Guests make and decorate their own chocolate eggs.**

We'll post out kits in advance of the activity containing everything needed. Guests will receive reusable egg moulds, chocolate, a thermometer (to achieve the perfect temper), piping bags and sprinkles (to decorate their eggs with) and cellophane bags with ribbons, to wrap the finished creation.

Hosted by our expert chocolatier in the virtual chocolate factory, guests will be guided through each step. First they will learn how to perfectly temper their chocolate, so that it has a good snap and irresistible shine, before pouring it into the moulds.

While the chocolate is setting, guests then make their sweeties to go inside. We will demonstrate how to pipe chocolate buttons, Easter shapes and jazzles.

We'll then seal the hand made sweeties inside the chocolate egg and add the finishing touches by piping a personalised message in white chocolate and wrapping the finished egg in a cellophane bag with ribbon.

At the end of the activity, guests will have a beautiful hand made chocolate egg to keep or give away as a gift. They can also reuse the mould so they can make more chocolate eggs later if they would like to.
