The Spy Hunt is our unique twist on a treasure hunt. Your group will be split into teams of 10 who begin the challenge by breaking into their briefcase! Inside will be a personalised dossier of information, including a list of RV points to meet secret agents and undertake challenges to earn the currency of the day – The Spy Dollar!

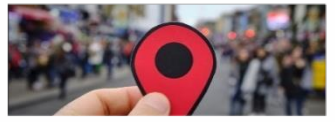

Armed with a digital camera, Spy Dollars, a unique password and a mission pack, your team will begin a series of intelligence gathering tasks/assignments around your chosen region. It is your mission, so amongst your team mates, you will decide how to execute your plan and earn the most Spy Dollars…Tasks involve; meeting with undercover agents to receive further intelligence, gathering clues from static locations, carrying out code breaking challenges to receive rewards and investigating local places of interest. Your mission will take just over 3 hours (shorter sessions are available). There will be approximately 10 different tasks / assignments for the teams to complete, some will involve Spy Dollar rewards and some will involve receiving additional intelligence from agents (or are they double agents!!) Additional Spy Dollars can be earned by producing a portfolio of photographic evidence, as requested in the teams' confidential dossier.

A note of caution - beware, undercover surveillance operatives may be watching your every move... Time is of the essence, so ensure you are at the RV at the specified time for the briefcase drop, as there is no time for error in this spy game! All staff are experienced instructors, so you can be sure that you will have a fun and exciting day in a safe environment. For this activity you will need to organise a start / finish point i.e. a hotel, office, bar, coffee shop, restaurant etc.
