

Challenge 100

CHALLENGE 100

Madly manic, and frantically funny... Challenge 100 is creatively competitive. How many challenges can your team complete, before the time is up?

Your team will need to complete a range of creative, technical, mental, sensory, problem solving, physical and general knowledge games and activities. Time management, strategy and excellent use of individual team members' skills is the key to victory in this fast-paced team building challenge extravaganza!

Team challenges include; puzzle solving, boom-whacking, bell ringing, balloon modelling, trigonometry solving, cup stacking, beer mat flipping, giant dice building, mystery solving, etiquette relay racing, hand shadow making, jelly bean conversion scoring, blindfolded drawing, domino rallying, sailor knot-tying, card pyramid building, play doh modelling, plate spinning, juggling, hula hooping, Lego tower building and LOTS more. To say there's "something for everyone" would be an understatement!

On completion of each team challenge, groups are rewarded with fun money. Activities are categorised by difficulty - the more difficult the activity, the more fun money is awarded.

Teams will need to decide on their strategy: quality vs. quantity. Should you attempt to complete as many of the smaller team games as possible, earning your money gradually, or spend longer working on the more challenging team building activities for a bigger pay out?
