

One Voice, Singing Workshop

ONE VOICE

Everyone can sing – and One Voice is the team-building experience that proves it.

Inspired by popular shows such as *The X Factor*, *Britain's Got Talent*, and *The Choir*, One Voice brings teams together through the power of music. Designed to take participants beyond their comfort zones, this fun and engaging workshop quickly transforms initial apprehension into confidence and achievement.

Led by professional vocal coaches with experience in the West End, television, and touring productions, the session begins with a surprise performance before participants discover they will be singing the same song together in harmony.

Following a fun vocal warm-up, the group is divided into sections, each learning a different melody or harmony line. As confidence grows, the individual parts are combined to create a powerful and uplifting performance.

The grand finale sees everyone performing as One Voice, delivering a result that few thought possible at the start of the session.

Entertaining, energising, and memorable, this experience leaves teams with a real sense of accomplishment and demonstrates what can be achieved when people work together.
