A fantastic team dance activity inspired by some of the nation's favourite TV dance shows, this energetic and entertaining event encourages guests to step outside their comfort zones and work together towards a spectacular finale performance.

The experience begins with an exciting routine from our professional dancers, many of whom have performed in the West End and film productions. Guests are then invited to join in with a fun warm-up before splitting into smaller groups to learn a variety of dance styles.

Designed for all abilities, the routines focus on fun, teamwork, and confidence building no dance experience or partner work required. In a short space of time, each team will master a choreographed routine ready for the grand finale.

As the music begins, teams perform under the watchful eye of our judges in a lively and supportive atmosphere, often ending with an exciting dance-off. Full of glamour, laughter, and energy, this is a brilliant event for bringing colleagues together and creating memories.
