CREATE A

MUSIC

VIDEO

This is a team-building event like no other! We bring all the equipment, costumes, and professional facilitators, giving your team the opportunity to recreate a famous music video in a fun and engaging environment.

Working together, teams will choose their roles, record their own vocal parts over our pre-recorded backing track, select costumes, and plan their performance before filming their music video on location.

Not only is this an incredibly entertaining experience, but it also encourages collaboration, creativity, communication, and teamwork as participants work from initial brief to completed production within a short timeframe. Following the event, our professional editing team will transform the footage into a polished final music video, which will be sent to you as a lasting memento of the day.

The finished video often becomes a firm favourite amongst colleagues, regularly shared and enjoyed long after the event.
