

Urban Jam

Urban Jam is all about individual expression, creative thinking and the passion for delivering as a team!

Split into teams, you'll bond with your 'crew' over a little customization - so you look the part. Then you'll rotate through three exciting urban creative arts. Once your new skills have been perfected, it's time to re-join as one united and dynamic super-group, to perform your 'Urban Jam'.

- JUNK FUNK - Create your very own junkyard orchestra and compose some contemporary rhythms using everyday junk objects.
- STREET MOVES - Get your bodies 'poppin' in this snappy routine. Learn street moves and tricks from our professional street dance choreographers.
- HUMAN BEAT BOX AND RAP - Compose some home grown rap lyrics to your beat box beats.
- THE FINALE - Reconvening as one team, all three activities are combined. Your URBAN JAM finale will not be forgotten.

Each creative zone is led by our professional and friendly Firebird instructors who will support and inspire everyone. Fun and laughter are combined with the focus and fast paced action needed to master each zone. Experience your team as never before, with some hilarious group moments guaranteed. After each 40 minute rotation, the finale combination of all three activities will raise the roof! This event brings superb entertainment, energy and team work to any day.
