

Origami Workshop

ORIGAMI

WORKSHOP

A mindful and relaxing workshop where guests learn the ancient art of origami.

Hosted by our expert, you will learn all the basics of paperfolding, how to do traditional folds and how to use different creases to create certain effects. They will then have a go at folding some projects, such as traditional cranes, lotus flowers and butterflies and the not so traditional but fun sharks and dinosaurs! Guests will be guided through each step combining different techniques to create their projects.

At the end of the activity, guests will have made some fun paper ornaments and we'll show them how to string them together so they can be proudly displayed as a hanging decoration.
