

# Sailing Days

Matched yacht racing sailing events are wonderful eco-friendly green events, that give you the opportunity to harness the power of wind and ensure 100% quality face-to-face business time. Whether a complete novice or a seasoned sailor, your sailing day will be the talking point for everyone, providing a wonderful experience and lasting memories to build upon.

A sailing race day is a rewarding day, ideal for team building and client days, with the camaraderie guaranteed to be very high amongst all who take part. We tailor the event to you, giving you as much team building or high-end luxurious sailing as you require.

Our yachts are all identical and highly spec'd, offering guests the ultimate sailing event. They are not part of a heavily used charter fleet, therefore they are in immaculate condition and all the safety equipment is of the highest standard. It also goes without saying, that our skippers and crew are a vital part of your day and we only work with the very best. They are handpicked for their professionalism, knowledge and sociability. They are fun, friendly, immaculately presented and will fully understand your corporate event requirements.

We estimate that about 95% of our guests have never sailed before they come out with us, and this is where our professionalism comes into play. We will ensure that we provide safe, informative sailing tuition and local knowledge. By the end of the day, you will all depart with lasting memories, new skills and local knowledge, feeling like America's Cup Yachtsman and winners!
