Bollywood

Energise your team as East meets West in this truly magnificent traditional spectacle.

Our Bollywood Team Building and Dinner Entertainment Events, will fill your room with colour, energy and fun.

Beautifully dressed in stunning traditional costumes, our Bollywood expert instructors will not only add a burst of colour and movement to your event but will also deliver an interactive fun-filled session. History and culture are also part of the event, as the newly found 'performers' learn the origins of this unique art form. Your team will be instantly transported to the East!

We have wonderful saris for the ladies and bright shirts for the men to add the finishing visual touch. Your room will be transformed in no time at all. After a brief warm-up exercise, to get the brains thinking and smiles flowing, your delegates will be taught a series of simple, yet effective, moves. The Instructors will prepare your team, step by step, so that the guests can discover the delights and challenges of learning a complete and spectacular Bollywood dance performance.

This activity is about energy, letting go and creating a 'feel good' atmosphere. The group will increasingly feel the connection and support of working together as a unit. The event will build to a fantastic, dramatic and visually-spectacular performance at the end of the session, which will be remembered by participants for years to come.

Everyone can participate in our Bollywood events, which are highly flexible and will suit a wide range of occasions. They are great fun for all participants.
