

Create A Music Video

CREATE A MUSIC VIDEO.

This is a team building event like no other - we bring the equipment, outfits and facilitators so you can recreate a famous music video!

Teams will need to work together to pick their roles, record their own vocal parts over our pre-recorded backing track, choose their costumes and plan their video - which is 'shot' on location.

Not only awesomely fun, it also brings teams together in a creative environment, from 'brief' to music video, in a short time-frame. After the event, we then professionally edit and send the footage to you as an everlasting memento of the day.

The 'final edit' is often shared regularly between colleagues - an experience that lasts long into the future.
