EVOLVE - ACROBATIC SILHOUETTE ACT

Witness the history of our greatest achievements in 13 minutes of acrobatic skill and precision, with *Evolve*.

The timeline of our best thinking, inventions and achievements are beautifully choreographed and performed with amazing skill, grace, and creativity. By using just their bodies, *Evolve* manage to artfully recreate scenes of building the first wheel, a Pyramid, the Egyptian Sphinx, discovering gravity, the steam train, electricity, a car, an aeroplane, telephone through to the digital age of Wi-Fi and Space travel.

Looking at our past, present and future, the show is about momentum of creation – what can we achieve next?

Stunning and awe-inspiring, *Evolve* are a team of ex-gymnasts and sports acrobats who ‘blend’ together to create mesmerising scenes that will captivate your guests. Lifts, balance, acrobatics and dance come together in an intricate display that has culminated in months of choreography and rehearsals. The audience will be enthralled and uplifted by the inspiring soundtrack and will leave your guests in awe and inspired.

Given time, elements of the show can be tailored to suit your theme. Key figures in history can be highlighted, and the city skyline of your choice can also be included, as can a company logo or product.
