Solaris **Contortionist Act**

Sisters, Delia and Yvette du Sol, will stun and amaze with their 6 minute contortion act. Combining acrobalance with their incredible acts of flexibility, *Solaris'* performance is one that has to be seen, to be believed.

Their agility and strength are highlighted with clever choreography, and with the help of a dramatic soundtrack, your guests will be spellbound. For the finale, both performers will squeeze into the same 21"x 17"x 17" Perspex box.

Born into the business, Delia trained as a classical dancer and contortionist – training later with the aerial hoop and silk, whilst Yvette trained and performed world-wide in gymnastics and contortion. *Solaris* was formed and together they have performed in theatres throughout the world, and travelled extensively for corporate events, private functions, and have been part of numerous TV programmes, showcasing their talent.
