SPARK!

Performed by five to seven characters, 'Spark!' combines high-impact drumming with dynamic choreography and beautiful lighting design.

With static set-pieces and movement between sites, the focal point of the show is constantly in flux. With a high level of audience interaction, guests will feel immersed in the drama of the show as it unfolds. Building in intensity, the show will culminate in a dazzling display of light, sound, smoke and movement. '

Spark has been designed to work brilliantly as a stunning after-dinner show / finale, street theatre show in a town square, vibrant parade piece in a carnival, static stage performance and an interactive crowd pleaser at a festival.

Performance Time:

- Outdoor shows: up to 90 minutes split into shorter sets of maximum 45 minutes – event dependant
- Minimum time between sets is 30 minutes
- An optional pyrotechnic finale can be offered
- A five drummer indoor show is available lasting between 5 - 30 minutes

Space requirements:
