Stringfever

Using electric strings and beatbox, *StringFever* are not the 'traditional' string quartet. Using comedy alongside their awesome talent; Giles, Ralph, Neal and Graham Broadbent (one gifted family) will take you on a rollercoaster of a musical genre ride. Their unrelenting energy, creative choreography, awesome humour and audience interaction are a joy to behold, and a talking point for all your guests.

Their show includes original arrangements, such as 'the history of music in 5 minutes' – a high-paced voyage through time from Mozart to Metallica. They also prove they are incredibly agile and acrobatic when they perform their very own version of Ravel's Bolero - with the whole group playing on one cello at the same time.

Will your guests be able to guess all 20 tunes from their fantastic film themes medley?!

With over 1000 shows in 32 countries, StringFever are at the top of their game and are a quartet not to be missed.
