

Virtual Gingerbread House Making

GINGERBREAD HOUSE MAKING

Sugar and spice and all things nice...is what this workshop is made up of.

Teams join our flamboyant host in his virtual grotto get festive, creative, and even a little technical by assembling and decorating gingerbread structures!

In advance of the event we'll send out kits containing everything needed for the activity including pre-baked gingerbread "flat packed" slabs, cake boards and royal icing to assemble their structure.

Guests then use royal icing to stick the pieces together and piping nozzles, sweeties, toppings and glitter to make their gingerbread building into an edible winter wonderland!

Guests will be guided through each step and we'll give advice, tips and techniques so that each guest can create something spectacular as well as learning professional icing skills.

At the end of the activity, guests can present their creations and, as an optional competitive element, we can judge a winner and send out a prize in the post.

What is included:

Expert host, green screen virtual shop, posted kit containing all equipment needed including pre-baked gingerbread house kits, cake boards, royal icing and all instructions.
