

Perfect Party

PERFECT PARTY

A fun and creative team build activity where teams complete a number of activities, against the clock, to make the Perfect Party!

With the time ticking, each activity is not only exciting, but also challenging. Groups will need to be expert communicators, team players and be good at time management and forward planning.

Challenges can include up to 5 of the following (30 minutes each)

- Piece of Cake - Teams must portray themselves through the medium of cake decoration! You'll be given cakes, icing, sweets and biscuits and must create a showstopper of a cake that represents you as a team!
- Cupcake Creations - Or if teams would prefer the smaller option, get decorating with butter icing and sparkles on cupcakes.
- Loony Balloons - After a demonstration, you need to create a balloon table centre-piece for the party.
- Origami or Napkin Folding - Make your party tables even prettier with the ancient art of folding paper decorations or napkins.
- Chocolate Making - Create your own after dinner chocolates.
- Jelly and Ice Cream - Produce a new, exciting and delicious ice cream flavour for the party.
- Mug Painting - Decorate some mugs for when a caffeine pick up is needed at the party.
- Face Painting - Learn the art of face painting, before giving one of your team a party makeover!
- Party Outfit - Fashion a party outfit for one of your team out of recycled materials.
- Party Games - Teams delve into the dressing up box and play some improvisation party games.
