## WORKSHOP.

Forever playing the clown? Always wanted to experience the thrill of the circus? Well here's your chance to learn the skills needed to be part of one of the 'greatest shows' around.

Needing concentration and self-assurance, our workshop offers a genuine learning experience and confidence booster for everyone. Working in pairs or small groups, individuals are able to observe and learn from people within their own team. As well as building confidence, self-esteem and developing teamwork, it also helps with co-ordination and learning as both the right and left side of the body and brain are needed to successfully fulfill the activities. It also helps people deal with fear, how to react to the unexpected, and how to happily plunge feet first into the next challenge.

**Skills include:** low wire tightrope walking, juggling, diabolo, stilt walking (hand held), plate spinning and balloon modelling (full description available upon requests)
