007 THE SAS JAMES BOND STUNT SHOW

Fully immersive, this slick SAS stunt show starts from the moment your guests arrive, as they are security checked by two 'SAS guards' in black siege gear. Our 'guards' can be purely visual, or can add to the drama by using radios to check credentials.

Soon everyone's settled in their seats, and the MD is making their speech. Suddenly there's a disturbance off stage, the sound of a helicopter overhead and then an 'explosion.' Sirens are now blaring as masked Spectre Agents infiltrate your event, taking control. Once secure, the evil Agent Black enters the room, 'intimidating' guests with his glares. Just as he starts to talk, there's a commotion at the back, and a SAS commando clad in black enters the room. Engaging the enemy in a fire-fight, he soon stops once the room is threatened.

After a verbal duel, he's grabbed by two henchmen - and a fast and furious martial arts extravaganza between good and evil breaks out. The Spectre agents are soon out-classed, but when he attempts to reach Agent Black on stage, he is wounded. Unhappy with his still being alive, Agent Black asks his 'pet' - a PVC suited brunette - to finish him off. After a series of stunning moves, he is at her mercy.

It is now that Agent Black explains why he is at the party. Written especially for your company, he will reference your company, personnel, products and rivals, plus one key person who has not kowtowed to his demands. When Agent Black threatens to "waste him/her," it's time for 007 to make his impressive entrance to his iconic Bond theme. An exciting fight scene follows, leaving all but Agent Black and his 'pet' dead. When Agent Black tries to flee with your company's key person, Bond is able to dispatch him with a single shot and put the 'pet' in handcuffs.

Bond then introduces himself, declaring that usually it's for Queen and country but tonight it was for your company - to claps and cheers. This high octane stunt show is truly stunning, and perfect for action packed events.

Duration: 3 hours with breaks, performers will arrive at least two hours ahead of guests arriving, including meet and greet for up to an hour, 1 full length cabaret set with fights and trial scene and Bond rescue (with dialogue approximately 15 minutes).
