

Crazy Golf Food Bank

Crazy GOLF FOOD BANK

Teams play on mini crazy golf courses they've created, using craft materials, heaps of imagination and non-perishable foods, that are then donated to a food bank after the event.

After a fun warm up / ice breaker from our event host, the group are split into teams between 4-8 people. Each team is given a large piece of fake grass, plus several key mini golf obstacles, including; ramps, curves, loop the loop (and of course a hole!)

Each team will then choose items from a large selection of non-perishable foods (purchased especially for the event) to help build the boundaries and foundations of the course. Items include; tinned food, bagged pasta, boxes of cereal and bottles of cordial etc. After deciding upon a theme and with craft materials provided, the teams will then begin designing, crafting and constructing their unique mini crazy golf course.

The teams will then play the course, rotating around each hole, with entertaining and often hilarious results!! With competition hotting up, our marshals will be on hand to ensure cheating is kept to a minimum! Once every course has been rigorously tried and tested, the one deemed to have the overall best design and the most fun to play (with the least destruction) will be the winners!! At the end of the event, the food items will be carefully packed away and taken to a local food bank or charity of your choosing.

Not only fun, but for a great cause too – the benefits of which continue long after the event...
