

Strictly Team Dance

STRICTLY TEAM Dance

A brilliant team dancing activity, inspired by some of the nation's favourite dance tv shows. This energetic and enjoyable event is about stepping outside normal comfort zones individually, to achieve a specular performance as a team.

A burst of energy enters the room in the form of our professional dancers in brightly coloured costumes. They perform a fabulous display of moves in a routine to knock your socks off! Our professional dancers have all worked in the West End and in various films. As the applause dies down, they invite everyone in the room to stand up and take part in a quick energiser – instantly dispelling any 'no rhythm' or 'two left feet' myths.

We then break into smaller groups – with each group learning a different style of Strictly dancing – building to spectacular dancing finales. You can choose from many different styles, including: Jive, Charleston, Merengue, Cha Cha, Salsa, Waltz and Tango. These dance forms are designed for men and women. They do not need to include partner work as we can produce a formation style performance.

From the first footsteps to the fantastic performance, you will see your colleagues in a whole new light and, in a very short space of time, the entire room will master a short routine. Of course, if there are any natural movers among the group, they can be highlighted in the finale performance!

As the music strikes up for the finale, a huge sense of achievement is felt by all. We are entertained by each teams' performance, under the watchful eye of our esteemed judges. Relax! We do not adopt the approach of pinpointing the inadequacies of individuals. Rather, we focus on the positive and celebrate everyone's contribution to ensure that the event ends on a high. A head-to-head 'Dance-off' often provides the thrilling finale, and prizes may be awarded.

Glamour, fun and passion abound, in what is a whirlwind event of seeing what is possible!

Activity Duration: 30 minutes – 4 Hours

Sound Equipment: The activity comes complete with a sound system and microphones large enough for up to 70 people, for bigger groups the client or Firebird would need to provide additional sound equipment cost: EPOA
