Perfume Workshop

Discover something truly new - design, develop and create your very own tailor-made couture scents in our Perfume Studio Workshop. The idea is simple: if Victoria Beckham, JLO and a host of other celebrities can create their own fragrance, then why can't you?

In our perfume workshops, a trained perfume stylist guides you through a fun and informative fragrance journey. Depending on what you would prefer, guests can either create an individual signature scent, or design a team fragrance which is sure to get everyone working together! You can even consider personalising your perfume bottles with company, or individual branding for that extra special touch! (£POA)

Our team of perfumer's have spent years creating our exquisite blends sourced from the world's finest ingredients and will be on-hand to help you choose your perfect combination from our 21 exquisite blends, to capture a scent you can keep and treasure forever. From musky base notes to fruity top notes, our fine fragrance blends represent the entire spectrum of a Master Perfumers' palette.
