cocktail workshop

In our Virtual cocktail masterclass, guests can combat the stresses and strains of isolation. Your team will have a fantastic experience racing each other by shaking, muddling, layering and creating their own perfect cocktail. We have different package options to suit your needs and all options include one of our bartenders online for 45 – 60 minutes.

Option 1 – Program only

If guests are happy to provide their own stock and equipment, we can run just the programme only. We would provide a shopping list in advance of the event date for guests to gather the ingredients they will need. You will then be joined on the day by one of our master cocktail makers to show guests how it's done.

Option 2 – Program and Ingredients (2 cocktails)

Worried about getting your hands on the ingredients? Not to worry! We can send ingredients for two different cocktails to each participant, a Gin Smash and a Cosmopolitan. Guests will then need to make the drinks using everyday kitchen items.

Options 3 – Program and Ingredients (3 cocktails)

If you have more time on your hands perhaps our 3 cocktail option would suit you better. Option 3 adds a Baby Guinness to the 2 cocktails already offered above in option 2.

Option 4 – Program, Ingredients and Equipment

If you would like the full cocktail workshop experience, we can send Cocktail Kits to all participants along with the ingredients. The kits include a shaking tin & shaking glass, muddler, bar spoon, strainer and measurer.
