TEAM

TOURNAMENT

Teams go head-to-head in this fun festival of games. Encouraging communication, logic, co-ordination, problem solving, creativity and team spirit, these activities are perfect for any age and ability.

Each group are awarded points, per activity, based on their team's performance. The overall winners will take to the podium to receive their medals!

STREET SPORTS - You don't have to be an athlete to get competitive! We have some fun street-style games including:

- Sport Stacking - The phenomenon made famous by YouTube. Teams race against the clock to stack cups in set sequences.
- Tiddlywink Olympics - Enthusiasts have campaigned for years for Tiddlywinks to be included in athletic tournaments, so we've added them to ours!

MENTAL GYMNASTICS - Teams give their minds a workout with some logical and problem-solving activities:

- Podium Puzzle - Teams must work out how to move the podium without placing a larger block on top of a smaller block.
- Medal Detector - A communication and problem-solving challenge where teams solve the mystery of who stole the missing medals.

LET'S GET PHYSICAL - Teams get active in some physical challenges:

- VR The Champions – Teams compete in a virtual reality contest.
- Mini-Bike Match Sprint - Just like on the Olympics only this cycle pursuit is held on the silliest little bikes you've ever seen!

TABLETOP TOURNAMENT – Teams compete in some classic tournament games:

- Chess Challenge - Teams solve a logic puzzle on a piece of a giant chess board.
- Tic Tac To-tally Awesome! - We've reinvented noughts and crosses but with twists, turns and sabotage!
