Whilst saving the world from all manner of terrorists and threats, a Rogue MI5 Agent has been growing his personal art collection and not entirely legitimately. The unknown agent has been stealing art and sculptures from across the globe. MI5 is onto him though, but no one within the agency can be trusted. As the newest recruits to the agency, it falls on you to uncover the identity of the Rogue Agent, collate the evidence against him and advise the agency of his whereabouts.

In order to do this, you will be given access to the Government's secret online portal which you must use to complete the case on line. Via your chosen Video Platform, our Event Manager will set the scene with a tense virtual briefing, logging you into the sophisticated MI5 dashboard and explaining the mission ahead.
