

Rum Tasting

RUM

TASTING

Rum is the most exciting spirit on the market, so why not embark on an epic Rum voyage! We will walk, talk and taste our way through several rums discussing all the fascinating history behind each one. We can cruise through the Caribbean as it was during the 1700's and arrive in modern day London to sample Rum Cocktails. Or discover why the navy and Pirates both were fuelled by the magic spirit!

If you're concerned about members of your group not being huge fans of rum, we have enough treats to keep them interested - a delicate Rum Punch or Mai Tai may well tantalise their taste buds!

If you fancy an interactive team building style event, then we'll set tasks and challenges along the way to test your skill. We will keep track of the scores and yes of course, points mean prizes... Alternatively, we can also offer a more traditional tasting session, with a little humour thrown in for good measure!
