

## Virtual Sherlock Holmes, The Grand Debut

## Sherlock Holmes - The Grand Debut

You and your team join an 18-year-old Sherlock Holmes embarking on his maiden investigation - the murder of Lord Harrington at Chapelgate Manor. In order to do so, you will need to investigate the grand stately home, interact with characters and make the arrest. Move from room to room, solving clues, riddles, puzzles and completing mini-games.

This game is played in teams, all teams will start at the same time and it will be a race for which team can uncover the suspect first.

You will nominate a team captain to complete the mini-games and enter the answers - you can change the captain easily, and as many times as you like at any point during the game

We will have an in-character Host entertaining guests before and after the experience and also support staff (games masters) to provide clues and ensure the event is very slick.
