

Wine Tasting

Wine tasting

With years of experience, our lively and personable wine connoisseurs will create an ambient atmosphere in which you can enjoy the world of wine.

Divided into teams, you'll be put through your paces and taught tasting techniques as you tease your taste buds with a selection of quality wines from around the world. You'll soon have a portfolio of tricks and tips to help you identify quality wines and navigate a restaurant wine list.

Striking exactly the right balance between entertainment and education, the tasting is pitched at a level that ensures everyone can participate and thoroughly enjoy the event. Your guests will be transformed into a bunch of budding wine experts before you know it!

The format of our Wine Tasting activity is flexible and can be as entertaining, informative or competitive as you desire! The session can be standalone, or be in the form of some fun and interactive entertainment before, during, or even after dinner.
