

Ice Cream Workshop

Ice Cream Workshop

Have your mind blown, not frozen, by this indulgent and innovative ice cream team build challenge!

Have fun, synchronize your taste buds and create a new flavour of ice cream as a team. Then it's up to you to develop your brand and marketing strategy in order to maximise sales. But who will come top in the all-important taste test? With a wide range of not-so-obvious ingredients, it's up to you how outrageously adventurous you become....remember Heston Blumenthal's gourmet egg and bacon ice cream?!

Once your culinary skills have been put to the test – it's your marketing abilities next. When you have come up with the name and design, you'll need to build your packaging prototype - which needs to reflect your brand and appeal to your target market. Then put together an advertisement.

To make the process even more challenging, teams must stick to a limited time scale and budget to achieve sweet success. Extra points can be earned by completing additional fun quizzes and games.

The proof, as they say, is in the pudding – so after a rigorous tasting session each team will present their sales pitch to the judges and perform their adverts in a fun finale! Judges will then decide which team has produced the most successful ice cream and the winning team will be revealed!

What is included: Top quality ice cream making equipment, ingredients, recipes (including dairy free alternatives), craft materials, information packs, disposable table cover, gloves, aprons, props, costumes, first aid food hygiene trained staff and prizes for the winning team.
