

Gingerbread House Making

GINGERBREAD HOUSE MAKING

Sugar and spice and all things nice... Is what this workshop is made up of! A fun, festive activity where guests assemble pre-baked biscuit slabs and decorate their own gingerbread house!

Guests get festive, creative, and even a little technical by assembling and decorating gingerbread houses!

Guests are given pre-baked gingerbread “flat packed” slabs to assemble their structure, as well as pre-made biscuit figures such as gingerbread men, tress and reindeer.

They then stick the pieces together with icing and use piping nozzles, sweets, toppings, sprinkles and sparkles to make their gingerbread house into an edible winter wonderland!

Guests will be guided through each step of assembling the house and will then have free reign on the decoration so that each person can create something spectacular and unique.

At the end of the activity, guests will have a fabulously festive gingerbread house to give as a gift or to enjoy at Christmas.

What is included: Event host, instructors, ingredients, tools, utensils, aprons, gloves, table covers and boxes to take gingerbread houses home
