

Rock School

Rock School is the latest experience that's set to change team building days forever!

With no musical experience necessary and supported by our Rock School teaching system and professional musicians, we take people with zero experience, to rock star in 2 – 3 hours there's nothing else like it!!

With all equipment, instruments and wardrobe provided by us, your guests will certainly push the boundaries of creativity in this is high energy activity, centred around team work and communication.

ROCK SCHOOL

How it works.....

BRIEFING - Ok, so a rock star does not need to be briefed! But we'll do a quick meet and greet (rock poses and all) and we'll tell you a bit more about what we will be doing on the day!

CHOOSE YOUR WEAPON - Next, you'll be choosing your weapon (we mean instrument!) for the day - no experience necessary! If you've never played an instrument before - don't worry there's plenty to choose from!

ROCK STAR ACADEMY - Next, it's down to business - learning your new part and instrument! You'll be using our latest Team Rock teaching system - with professional musicians on hand to support you!

BAND REHEARSALS - So you know your part - but can you play together as a band? Guess we'll find out at the rehearsals!

LOOK THE PART - Time to get suitably attired for your upcoming rock star performance! We'll provide the wardrobe.

READY TO GO - You've practiced, you're in your rock attire - you're ready to rock! It's time to show us your true rock star!
