Fast and furiously fun, Combat Archery is a brand new game that brings together the skill of archery with the pace and excitement of Dodgeball and Paintball.

Using specially made bows and foam tip arrows, two teams (of up to ten) score points by eliminating opponents and targets. The purpose built pitch contains 5 bunkers to hide behind and 5 target cones, which are placed in front of each bunker. Separated by a neutral zone, teams must stay on their side of the field as they shoot it out for victory. Each game lasts for up to 10 minutes, and ends when either all team members are eliminated, all 5 target cones have been hit, or time runs out. Once the game is finished, the scores are added up, and the teams swap ends. If a player catches an arrow, they can bring one of their eliminated players back into the game. Put your hunting skills to the test with this action-packed, adrenaline pumping archery experience.
