A treat of a Christmas game show with all the trimmings... Christmas comes but once a year, but how much do you know about our festive season?! Teams compete in a festive mix of Christmas themed quiz rounds with audio and visual challenges, as well as practical activities. Rounds can include:

Ho Ho, or Oh No: Teams are shown some pictures and must correctly distinguish between a real Santa Claus and a bogus bearded impostor!

Guess the Christmas Intro: We hear them until we can bear it no longer in December, but can you identify the annoying Christmas song from its intro?

Do You See What I See? (Observation Round): Teams must watch the Christmas clip closely before answering the questions.

What is it? What is it?: A knockout round. A picture of a typical Christmas present is revealed square by square. The quicker teams guess what it is, the more points they win.

Feliz Navidad: Teams are wished a Merry Christmas in a number of different languages and must identify the language.

Trivial Pursuit : The Christmas game of choice. Teams must answer a general knowledge round all about Christmas trivia.

Balloon Modelling: Teams are given modelling balloons and a demonstration, before creating their own balloon Santa hat!

Reindeer: Teams must make the tallest free-standing reindeer using only newspaper and sticky tape. Random?! Yes, but not as easy as it sounds!

Stocking Feelers: Teams must guess what presents are in the stocking just by feeling it.
