WREATH MAKING

Guests get Christmas crafting by designing and making their own handmade festive wreaths.

After a demonstration of the traditional florist's method, guests cover their wreath base with moss before adding winter foliage like scented pine, spruce, and berried ivy.

With an abundance of decorations to choose from, guests can then embellish their wreaths with cinnamon sticks, pine cones, dried fruit, berries, baubles, and bows. This can be run as a competition, with a prize for the best wreath, or just as a relaxed workshop.

At the end of the activity, guests can take their wreaths home and either proudly hang them on the door and impress the neighbours, or use them as a festive table centre decoration with a candle in the middle – perfect for the Christmas dinner table!
