Enjoy a mindful and relaxing watercolour workshop where guests learn the art of watercolour painting.

This workshop is designed to inspire creativity and calm. Suitable for all skill levels, this gentle introduction to watercolour painting shows that anyone can paint.

The session begins with a live demonstration, where our experienced art instructor guides guests through the basics of sketching an outline and working confidently with watercolour paints.

Guests then choose their own 'vista' to paint. When held outdoors, the workshop offers a beautiful opportunity to slow down and appreciate the surrounding views. If indoors, or as a wet-weather alternative, carefully arranged still-life scenes are provided for inspiration.

With supportive guidance from our art tutor, each guest is free to create their own artwork in their own style, enjoying the shared experience of learning a new skill together. By the end of the workshop, everyone will have a unique watercolour painting to take home as a lasting reminder of the experience.
