Dare to brave the Hot Rods challenge? Have your team got what it takes?

Your challenge, if you choose to accept it - is to build a section of Hot Rods track, incorporating either a 'Dead Man's Curve', 'Loop da Loop' or 'Speedway' section...

But first you must earn your materials – rods, tracks and boosters – by completing all the car themed challenges in your 'Track Pack'.

Being incredibly specific, your track must meet a very 'strict' set of criteria, including height of your start and finish, and length of track! Beware the inspectors, they will be measuring!

Once your track is assembled, you can practice your stunts and tweak your track to perfection, before joining up with the other teams and making one big Hot Wheels track extravaganza.

Perfect for big kid petrol heads!
