

Loony Balloons

Teams learn the art of balloon modelling before working together to create a masterpiece! Perfect as a team building activity, conference energiser, after dinner, or evening entertainment. After a demonstration and lessons from our professional balloon modeller, teams will be proficient in 'bending', 'coiling' and the many different types of 'twist'. Once teams are confident with their new found skills, it's time to get creative in one of the following activities:

Balloon Hats - Everyone gets creative to produce their very own balloon hat. Teams are supplied with colourful balloons and, with a little help from the professional balloon modeller, everyone will look ridiculous!

Team Sculpture - Each team must create a balloon sculpture that they feel reflects their group. This may comprise of lots of small sculptures or one big sculpture. Representatives from each team will describe what they have made and how it represents them.

Balloon Landmarks - Once given a picture of a famous land mark, the team must attempt to recreate it. Projects can include the Eiffel Tower, the Statue of Liberty, The London Eye and even the Sphinx!

Film Icon - Recreate an icon from a famous movie. Projects can include King Kong, the DeLorean car from Back to the Future, the Stay Puffed Marshmallow Man, The Bat Mobile, The Terminator and many more!

Table Centres - A nice idea for a pre-dinner or conference activity. Teams design and create their very own table centres from balloons, which can then be admired for the rest of the event.
