# CHALLENGE

Teams get hands-on with a series of fun, eco-friendly craft challenges designed to inspire creativity and sustainability. Groups rotate between activity zones, taking on lively, environmentally themed tasks guided by an instructor. At the end, guests take home their handmade creations - perfect for continuing green habits at home or in the workplace. This flexible format typically includes three activities, each lasting 30–45 minutes.

**Wax Works** – Create your own set of reusable wax wraps, a simple and stylish way to banish cling film from the kitchen.

**Bottle Painting** – Personalise reusable water bottles with creative designs to stay hydrated on the go.

**Totes Amazebags** – Design and paint reusable tote bags, helping reduce reliance on single-use plastic bags.

**Green Cleaning** – Make a set of plastic-free, eco-friendly cleaning bombs for use at home or in the office.

**Jarden Party** – Upcycle a jam jar into a self-watering mini ecosystem terrarium.

**Wildlife Wins** – Craft bee-friendly seed bombs and natural bird feeders to support local wildlife.
