

Lost Explorer

Lost Explorer is a high-energy, hands-on team-building experience designed to transform groups into cohesive, resilient, and resourceful teams. Inspired by real-world expeditions, this immersive challenge places participants into a series of dynamic scenarios where communication, leadership, and collaboration are essential for success.

The best part? This experience can take place anywhere — whether in the fresh air of an outdoor setting or the comfort of an indoor venue. Wherever you choose, we'll transform the space into your team's ultimate expedition playground. Throughout the day, teams will face a variety of fast-paced challenges that demand quick thinking, effective collaboration, and a touch of creativity and ingenuity.

Your teams will learn how to

- Work as a team
- Communicate effectively
- Listen to one another
- Develop relationships
- Problem solve
- Work better under pressure

Participants will be divided into teams and will rotate through a series of challenge zones, completing each activity in turn. Expedition Dollars will be awarded for each successfully completed task. By the end of the day, the team with the highest total will be crowned the Expedition Champions.

Activities can include: memory map, snake pit challenge, rescue knot challenge, water source challenge, plane crash retrieval challenge, emergency, shelter challenge, suitcase survival challenge, signal tower, expedition kit and equipment challenge. Full descriptions of each activity is available upon request.
