Teams compete in a range of fun, Olympic themed challenges in order to win medals. Activities are varied to suit all skills and are not just physical! We've also added some mental gymnastics to give the brain a workout too! The 7 Challenges can include:

Bobsleigh - Due to lack of snow, teams must complete the bobsleigh course by moving the sledge along the course using rollers!

Go with the Throw - Teams compete in our furiously frustrating but hugely entertaining Ping-Pong Shot Put, Paper Plate Discus and Floppy Foam Javelin. They won't go very far, no matter how hard you throw them, but it still makes for a funny spectacle watching people try.

Space Hopper Polo - A favourite British game with a modern twist - the horses are now inflatable!

Mini-Bike Match Sprint - A cycling pursuit race like you've never seen before. This cycle match sprint is held on the silliest little bikes you've ever seen!

Dummy High Jump - The high jump, but not as we know it! Teams must work together and co-ordinate their movements in order to launch the life-size dummy high jumper over the bar!

Team Slalom - Teams synchronise their movements and master the art of walking on the team skis before completing an obstacle course.

School Races - Teams compete in school race favourites such as the sack race and egg and spoon race.
