

Pizza and Pasta Making

PIZZA & PASTA MAKING

Pizza and pasta are still one of the most popular choices on any menu... In this team activity we will show you how to perfect your pizza and pasta making skills!

After splitting the group into teams, we will begin with a warm up exercise...Our pizza tossing relay challenge!! This is followed by our Firebird chef giving a pizza making demonstration, including making and fermenting dough, knife handling skills and a bit of health and safety (no cooking experience required - only a passion for excellent pizza and pasta!)

With our chef on hand to guide them, the teams will have lots of fun learning new skills... Teams will master how to produce their very own home-made tomato sauce, fresh pasta dough using our pasta machines, a fresh pesto to dress the pasta (pasta can be served hot or cold) and they will also learn how to serve the perfect Cesar salad. To add a competitive edge, our chef will come and judge each team based on criteria, teamwork and presentation. Guests then sit down together to enjoy their home-made dishes! Buon appetito!!!
