TREASURE HUNT

Explore the sights and attractions of a city, town or village with our fast-paced, action-packed treasure hunt, combining photographic, mental and cryptic challenges within a cleverly connected trail of clues that drives teams through an exciting race around your chosen location.

Following a dynamic briefing from our compere, guests are divided into teams and equipped with a comprehensive team pack containing everything needed to take part. From there, teams set out to solve clues, uncover hidden locations and complete a series of challenges, all while competing against other teams to win.

Ideal for exploring any location, this activity delivers a high-energy experience within just a couple of hours, encouraging teams to get outside, compete against colleagues and discover new surroundings in a more engaging way.
